Misuse of a business secret and confidential information

Dear Sirs,

I am contacting you on behalf of my client, the business company **TAGIT S.A.**, having its registered seat at rue des Moulins 51 c/o Fidexpert SA, Neuchâtel, Swiss Confederation, Federal identification number CH-645.4.096.423-1, File number 01369/2003 (hereinafter referred to as „the Client“).

I was informed by the Client that your company is offering the supply of EM security labels similar to Client`s production stating that such production is made in Prague, Czech Republic. Further, you have placed by e-mail dated December 30, 2022 the purchase order to the Client requesting the supply of EM labels for EUR 1,132.74.

In connection with that I have to inform you that I believe that the only Czech company supplying the EM labels to your company is only my Client or its Czech subsidiary, the company Vineta BMI s.r.o. Please be informed that our office has started legal steps in the matter of misuse of intellectual property, business secret as well as the business contacts made by other Czech company **FLYTAG s.r.o.**, having its registered office at Petrzilkova 2583/13, 158 00 Praha 5, Reg. No. 242 28 419 (hereinafter referred to as „FLYTAG“). Activities of FLYTAG are absolutely illegal and based upon misuse of business secret and information by former employees of Vineta BMI s.r.o. As a consequence, the company FLYTAG is currently offering to Client`s business partners the EM labels which are identical or very similar to Client`s production and we have already started legal actions against it. Of course, such criminal and other legal steps would also involve all FLYTAG business partners.
